

## FOR U.S. CITIZENS

### **1. Summer Teaching Experience at Universidad Anáhuac in Puebla**

Universidad Anáhuac Puebla extends an Invitation to up to four visiting professors to teach undergraduate summer courses from June 12<sup>th</sup> to July 15<sup>th</sup> at the following: School of Communications, School of Tourism, Business School and School of Engineering.

To apply, please contact Ms. Ana Luisa Desdier, International Academic Relations Coordinator: [ana.desdier@anahuac.mx](mailto:ana.desdier@anahuac.mx)

### **2. International Summer Program at El Colegio de México**

The International Summer Program was created to enhance exchange agreements between El Colegio de México, the leading social sciences research and teaching institution in Latin America, and various worldwide universities, and to help raise the profile of Latin American and Mexican Studies around the world.

The Program is mainly taught in English and its curriculum focuses on the study of Mexican and Latin American realities as approached by the faculty at El Colegio de México. Additionally, students on the program will attend Spanish language classes and cultural tours around the Mexico City area.

Prospective students will be chosen after a rigorous selection process taking into consideration academic achievement, social responsibility, professional experience, motivations for applying, and the importance of their participation in the Program for their future academic and professional careers. Application deadline: May 8.
